

Join our team

Are you a passionate clinical dermatologist with a commitment to excellence in patient care and education? Do you aspire to collaborate with some of the most esteemed clinicians in the field of medicine and surgery? If so, we invite you to consider joining our dynamic team at the Massachusetts General Hospital Dermatology Service.

Why choose Massachusetts General Hospital (MGH)?

Mass General consistently earns recognition as one of the top hospitals in the United States by U.S. News and World Report. As the premier healthcare institution in the New England region, Mass General offers a unique and unparalleled professional environment.

How to Apply

If you are ready to take the next step in your career and become a part of our esteemed team, please send your Curriculum Vitae to:

Clara Florentino, Administrative Coordinator
Email: Cflorentino2@mgh.harvard.edu

About MGH Dermatology

MGH Dermatology is situated within a state-of-the-art medical facility dedicated to advancing the practice of cutaneous medicine. Our comprehensive services encompass laser and cosmetic dermatology, dermatological surgery, phototherapy, clinical research, and dermatologic education. Here, you will have the opportunity to thrive in an innovative and collaborative setting.

Academic Opportunities

Appointment at the Harvard Medical School will be based on your experience, training, and accomplishments, along with your commitment to teaching. We are seeking candidates with an MD, MD-PhD, DO, or DO-PhD background who are eager to contribute to our educational mission.

Equal Opportunity Employer

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

Join us at Massachusetts General Hospital Dermatology and be part of a thriving community dedicated to excellence in patient care, research, and education. Your journey towards a fulfilling career starts here.
